! COVID-19 & Ecuador Travel

Entry requirements: Detailed information

To enter Ecuador, regardless of the country of origin, all travelers older than 3 years must present:

- A COVID - 19 vaccination card with a scheme completed at least 14 days before arrival. If not, passengers need a negative COVID-19 RT-PCR result taken no more than 72 hours before boarding the flight to Ecuador.

- The Traveler's Health Declaration.
(<https://declaracionsalud-viajero.msp.gob.ec/>)

Children under 3-years old only need to be asymptomatic to board.

Visitors with symptoms at their arrival must be isolated.

✈ Transportation In Ecuadorian Territory

- All Ecuadorians and foreigners older than 18 years traveling inside the country on interprovincial buses (for example, the Quito – Ambato or Guayaquil – Manta routes) or than 12 years taking commercial flights must prove they have two doses of the vaccine.
 - If they don't have the complete vaccination scheme, they must show a negative RT-PCR test result taken no more than 48 hours before boarding.
 - Wear a mask during the trip.
-

✈ Entrance To Closed Spaces*

In the same way, to enter closed spaces (restaurants, stores, supermarkets, museums, or cultural centers). All Ecuadorians and foreigners older than 18 years of age must prove they are fully vaccinated. Please, have this in mind during your trip.

Visas & immigration control

Citizens from Argentina, Paraguay, Peru, Uruguay, Brazil, Bolivia, and Venezuela: admitted by presenting their national ID.

Other countries in America and most of Europe: admitted only with their passport.

Upon entry, the immigration authorities will determine the maximum number of days you can stay in the country.

They usually grant 90 days for tourists, and you have to pay a fine if you exceed them.
